

Dog Daycare Cancellation & No-Show Policy

At Tails A Waggin' we require reservations in advance for your dog to attend our daycare. This allows us to schedule adequate staff to care for your dog. Dogs that are scheduled to attend but do not, leave a space open that could have been given to another dog for that day. Therefore, our cancellation and no-show policy is as follows:

- 1. Reservations must be cancelled before the end of the business day prior to the reservation without charge. Cancellations on the day of the reservation must be called in by 7:00AM to avoid being charged a daily fee or credit off package.**
- 2. Reservations made, but do not show up, will be charged a full day fee.**

If you need to cancel outside our business hours, please leave a message on our voicemail. Thank you!

I have read and understand the cancellation/no-show policy.
